Technical Skills

Programming: Ruby, Ruby on Rails, JavaScript, AngularJS, HTML, CSS, SQL, Java basics

Others: Git, Linux command line tools, OOP

Work Experience

DCT Academy

Trainee

Bengaluru, Karnataka

August 2018 – September 2018

Built a basic Chat application in Ruby on Rails. The app allowed users to create or join chatrooms. They could be public or private based on which users could join the room and start chatting. Implemented using Action Cable to integrate web sockets and facilitate broadcasting of messages.

ZenRays Technologies Pvt. Ltd.

Collaborator

Bengaluru, Karnataka

February 2018 – March 2018

Built the front-end of a Quiz Taking App in AngularJS. The app allowed admins to create the Quiz with single, multiple choice and subjective questions. Students after logging in could take the ongoing Quizzes live and after submitting the test, score was calculated and shown to the user.

DCT Academy

Trainee

Bengaluru, Karnataka

June 2017 – September 2017

Developed multiple small-scale practice applications including an e-commerce website, blog-application, CRM, course tracker etc.

Personal College Project

Developer

May 2017 – July 2017

Built using Ruby on Rails a Project Management and Submission Tool. It allowed admins to create Project agenda and their submission deadline. Students could submit their projects by providing a brief description, GitHub link of the repo and hosted URL. They could also see the list of submitted projects and upvote or downvote.

Hobbies & Interests

A man of many interests, loves all things, food and drinks, cooking, mixing drinks, travel, reading books and articles, poetry, listening to and playing music, photography, watching sports, learning and experimenting with new things.

Education

Jaipur Engineering College and Research Center
